

Welcome

Our Mission

Together, we create life-changing wishes for children with critical illnesses.

THANK YOU for joining an incredible community of supporters who work together to make the lives of children with critical illnesses better. While the past few months have been nothing but ordinary, one thing remains true; we are still fiercely committed to helping grant the wish of every eligible child. By fundraising for us, you are helping us to continue granting wishes and bring hope to kids in the Metro and Western New York area.

Now more than ever, hope is essential. Make-A-Wish is committed to innovating new ways to grant wishes to ensure that children are able to experience the hope and joy that wish brings - today and into the future.

Why is Fundraising Important to Make-A-Wish?

Make-A-Wish relies entirely on the generous contributions of individuals, companies, foundations, schools and corporations to make life-changing wishes possible.

Children are waiting for wishes. Your fundraiser will help.

Thank you!
